Senior Citizens Home Agreement Is Signed

J. K. Austin, Supervisor of Senior Citizens' Homes of the Department of Public Welfare, Edmonton, met in the County Office with the mayors and secretary-treasurers of the Villages of Arrowwood, Carmangay, Champion, Lomond and Milo, the Town of Vulcan, the chairman and secretary-treasurer of the County of Vulcan No. 2, for the purpose of entering into

an agreement to organize the Senior Citizens' Home for the Vulcan area. Representatives of the various contributing authorities signed the agreement which provides that the home would be built in Vulcan within this next year.

Mr. Austin stated that the next step in the organization would be to have an Order-in-Council passed by the government authorizing the new organization which will be called the Marquis Foundation. This name for the directing body was the unanimous choice of the representatives present. As soon as the Order-in-Council is passed, a provisional board will be appointed and it is expected that tenders for the construction will be called late in the year 1963, with completion slated for the summer of 1964.

A name for the Senior Citizens Home will be decided on by the Board of Directors at a later date. It is likely that organizations and the general public will be asked to submit suggestions for the name of the Home.

The meeting also discussed the matter of a nursing home to serve this area and authorized the secretary of the County of Vulcan to prepare a brief for presentation to the government as requested by an advertisement which is now appearing in the papers. The brief will carry the support of those contributing to the nursing home, and it is hoped that the government's plans for the construction of these very necessary institutions for the care of the chronically ill will include one for the Vulcan area.

Mrs. Ivo Love Taken By Death

Services were held at the Vulcan United Church on Friday, April 26, 1963, at 2:00 p.m. for Mrs. Gladys May Love, aged 42, who died in Calgary hospital on April 23 following a lengthy illness.

Born in Hull, England, she came to the Vulcan district as a baby with her parents in 1920 and had lived here since. She was a member of the Eastway Club. Besides her husband Ivo, she is survived by two daughters, Fay and Linda, and two sons, Allan and Ralph, all of Vulcan; one brother, C. B. Brickbank of White Rock, B.C.; one sister, Mrs. Alberta Locken, Vulcan, and her mother, Mrs. Marie Schenk, Vulcan.

Rev. D. A. Sharpe officiated at the services and pall bearers were Alvin Bain, Ray Onstad, Alvin Jacobson, George Fath, Bill Crossfield and Ronald Dunham.

The Vulcan Funeral Home was in charge of arrangements.

Further Listing PFA Payments

A further list of lands eligible for acreage payments under the PFAA has been received at the County office as follows:

Category 5-8 (\$3.00 per acre)—
Secs. 1-5 incl., 8, 9, 11-17 incl., 20, 21, 23, 24, 25, 29, 31, 33 and 36 in Twp. 19-24-4.
Secs. 4, 5, 7, 8, 9, 15, 16, 18, 19, 22, 30 and 32 in Twp. 19-23-4.
Secs. 1 to 24 incl., 27, 29 and 35 in Twp. 18-22-4.
Secs. 3, 9 and 11 in Twp. 19-22-4.

Holder of many offices in Royal Canadian Legion branches and in the provincial and Dominion Commands, she organized the Ladies' Auxiliary to the Legion in Vulcan and represented the Vulcan branch of the Legion at a Dominion convention. She was also a member of the Rebekahs and the Eastern Star.

Services were held in Calgary, with interment in Burnsland cemetery.

The occasional touch of spring weather brings Vulcan's most honored citizens out into the sun once more. Whether the subject being discussed above was of politics, drier springs of earlier years or of the coming 50th Anniversary celebration, it quickly changed when a photo fiend threatened to have them splashed on the front page. And it happened. Happy days to Albert Thompson, M. J. Bolduc, Judd Mannen, Bruce Roe and Everett McPherson, from left to right.

New Mathematics Course Explained To Lionettes

A full house of Lionettes turned out for the April meeting in the Vulcan Cafe on Monday. Mildred Marshman was welcomed back as a member after an absence of several years.

The guest speaker, Earl K. Hawkesworth, Superintendent of Schools for the County of Vulcan, spoke on the new system of mathematics that has been introduced in the elementary schools. He explained that the aim of the program was to give a complete understanding rather than just memorization of the numerals and it will benefit the slow learner as well as the more apt student. "It was too early to just evaluate the program," he said, "and only close scrutiny and constant examination will prove its worth."

He advocated that, generally speaking, homework should not be necessary for the first five grades as school-work consists of only half the child's intake of knowledge at this stage. The Lionettes found Mr. Hawkesworth's talk most interesting and informative.

The business session dealt with the proposed float for the 50th Anniversary celebration. Helen Giles was named chairman of the decorating committee and the next meeting will be spent making the necessary decorations.

The Lionettes have been asked to be responsible for the billing for the three-day celebration. Helen McKay and Grace Dahl offered to act as headquarters for the reservations. A stunt for the coming Lions convention in Calgary was discussed and a proposal will be made to the local Lions Club.

The meeting closed with nominations for new slate of officers and it appears that the Lionettes are off to a big and better year.

The presence of the Little Bow Pioneer Museum at Vulcan will be a most interesting attraction for old-timers and visitors where they will be able to see first hand the old machinery and methods of living about which they'll likely be reminiscing during the three days. A special 50th Anniversary supplement will be included with the regular edition of The Advocate on June 26. Stories of the early days of the town and district and many oldtime pictures, along with

individuals have already signified their intention of taking part. Enquiries concerning this parade should be made to either Town-secretary Mac Sinclair or Police Chief Gene Moyer.

Committee Meetings Held

Will Not Licence Airport Now, County Decides

The regular April meeting of the Council of the County of Vulcan No. 2 was held in the council room, county building, Vulcan, on Friday, April 19, 1963. The meeting convened at 10 o'clock in the forenoon.

Chairman Jack Deitz presided and Councillors A. W. Ulrich, Ivan Haga, R. S. Irwin, Arthur Cutforth, A. McAlister, M. Willard, J. M. McKay and Donald McNiven were present. Mr. Thurber and Mr. Hubka were absent. Also present at the meeting was D. D. McQueen, secretary-treasurer.

The secretary read a letter from Greenwoods Aviation Ltd. enquiring about the Vulcan Airfield with a view to obtaining some of the services to operate their aviation repair shop and other enterprises in connection with flying. The secretary was instructed to write to the company and advise that the county is interested in their letter and would like to talk with them.

A letter from the Department of Transport, Edmonton, in respect to the licensing of the airfield was read to the council. The letter stated that it would be necessary for the council to make up its mind in respect to one of three things: (a) to license the airfield; (b) leave it unlicensed; or (c) to close the aerodrome completely. After discussing this matter, it was decided by the council that an international, orange-color windsock be erected at the airfield and that the council leave the facilities unlicensed for the time being and that the airfield might be used in case of emergency for light aircraft only.

The secretary read a letter from the Chief Maintenance Engineer, Department of Highways, advising that a special-contingency road appropriation grant to the county in the sum of \$35,000 had been approved for the purpose of extending the grading on the Lomond-Bow City road.

C. J. Versluys of the Champion district interviewed the council in respect to a project under the Cultural Development Act and presented a petition to the council signed by ratepayers in the Champion area, asking that the council pass a by-law to take advantage of the legislation to provide this type of service. This matter was

discussed at some length, and Mr. Versluys withdrew from the meeting.

Councillors discussed this matter among themselves, and no decision was reached. Later on after the meeting, it was discovered that Mr. Versluys had asked the council for an expression of opinion to approve the project in principle, and if this was done the committee could do further work on the project. No answer was given to Mr. Versluys and it was suggested that he be advised to come to the

LIONEL LUCAS

New President Flying Farmers

At an Alberta Flying Farmers Convention held in Edmonton last month, Lionel J. Lucas of Vulcan was elected as 1963-64 president of the organization. Bill Peterson of Mossleigh was elected a director.

Among several resolutions passed by the Flying Farmers was one calling for removal of a regulation limiting crop spraying operations by aircraft owned by farmers to within a radius of 25 miles of the center of the aircraft owner's farm. The resolution states that only 500,000 of the 52 million crop acres in Western Canada are sprayed by air and the 25-mile radius provision is a serious restriction in attempting to contain insect and weed outbreaks and prevents economical and logical use of the farmer-owned spray aircraft pool.

New Building

Bethany Lutheran Church Dedicated At Lomond

Bethany Evangelical Lutheran Church of Lomond dedicated a new house of worship on Sunday, April 21. The new building, a sixty-six by thirty specially built laminated rafter structure, was comfortably filled for the 11:00 o'clock service which was the actual dedication service. Dr. K. Holfeld, president of the Canada district of the American Lutheran Church, officiated at the dedication services and preached an inspiring sermon for the occasion. He emphasized the need for people to be dedicated to God and

said that the congregation as well as the church should be dedicated to God from this day forth and forever more. Pastor W. Berg, the local pastor of the congregation, was the liturgist, with Marilyn Magnuson at the organ. The senior choir sang two numbers: "A Mighty Fortress is Our God" and "Lord Keep Us Steadfast in Thy Word."

The afternoon service saw a near capacity crowd of about 235 people fill the church to celebrate its dedication to the Glory of God. Pastor A. Granberg of Forest Lawn, Calgary was the guest preacher. His message was both encouraging and inspiring as he told of the great need to preach the Gospel to people lost in the cares of the world. Pastor Berg officiated at the service and Marilyn Magnuson was the organist. The Sunday School children sang praises to God as no one else could.

Greetings were received and read from ex-student Pastor Walter H. Evenson and family of Madison, S. D. Also from Midale Sask. came congratulations and God's richest blessing from Pastor and Mrs. N. D. Foster. Other greetings were read from neighboring congregations. A number of memorial gifts were acknowledged.

Approximately 175 people were seated for a delicious dinner which was served by the ladies of the congregation in the basement of the new church. An even larger number enjoyed coffee and squares following the second service.

People came from far and near to the dedication services: Donalda, Red Deer, Calgary, Brooks, Milo High River, Staveland, Clareholm, Carmangay, Champion, Vulcan, Enchant and Vauxhall.

Peggy Allen Dies At Calgary

Well known in Vulcan, where she was an occasional visitor and had many friends, Mrs. Margaret (Peggy) Allen of Calgary died on April 24, at the age of 69.

A native of Scotland, Mrs. Allen served as a nursing sister in Britain and France in the First World War and at the Col. Belcher Hospital in Calgary during the Second World War.

Holder of many offices in Royal Canadian Legion branches and in the provincial and Dominion Commands, she organized the Ladies' Auxiliary to the Legion in Vulcan and represented the Vulcan branch of the Legion at a Dominion convention. She was also a member of the Rebekahs and the Eastern Star.

Services were held in Calgary, with interment in Burnsland cemetery.

Schedule on Page 7

Time-Table Listed For 50th

Twenty-one members of Vulcan's 50th Anniversary committee and three men from Champion's 1961 Anniversary group met last Wednesday to put together a full time schedule of events which will make up the three-day celebration this June 29, 30 and July 1.

George Ellis, C. J. Versluys and Martin Matlock of Champion attended at the request of the local committee and were helpful in giving comparative figures based on Champion's successful anniversary celebration last year.

Definite assurance has been given that the Southern Alberta Firemen's Hose Laying competition will be held here Saturday, June 29, and judges will be down from the Fire Commissioner's office to

award the Murray Beppard trophy to the winning crew and other prizes. 25 crews from Red Deer south are being contacted and it is expected about 150 persons in all will be in town for this feature, including competitors' wives and friends. The street by the Vulcan Hotel is the location for this event.

The locations and caterers for some of the suppers have not been decided yet but this will be completed shortly. Also with at least two bands on hand for most of Monday it is planned to have concerts during the afternoon. Exact times and locations have not been set for these events.

Much interest is being shown in the Monday morning parade and many businesses, organizations and

individuals have already signified their intention of taking part. Enquiries concerning this parade should be made to either Town-secretary Mac Sinclair or Police Chief Gene Moyer.

The presence of the Little Bow Pioneer Museum at Vulcan will be a most interesting attraction for old-timers and visitors where they will be able to see first hand the old machinery and methods of living about which they'll likely be reminiscing during the three days.

A special 50th Anniversary supplement will be included with the regular edition of The Advocate on June 26. Stories of the early days of the town and district and many oldtime pictures, along with

The 60th anniversary of the Frank Slide was observed in the Crows Nest Pass last Sunday and recalls the fact that the Vulcan Hotel, shown above, was originally the hotel that served the growing mining community of Frank before, on April 29, 1903, millions of tons of rock on the face of Tur-

tle Mountain crashed down on the sleeping village, taking 66 lives and burying a large part of the little community under broken rock.

Several years later the hotel was torn down and moved to Vulcan, where it was rebuilt and renamed the Imperial Hotel. Later

renamed the Dobbs Hotel, it became the Vulcan Hotel when ownership changed about two years ago.

One wall of the hotel with the original grey slate facing still shows the marks and pits made by flying pieces of rock when the hotel stood at Frank 60 years ago.

BETHANY L.C.W.

The April meeting was held at
the home of Mrs. Ellen Johnstone
and was opened with the hymn,
"Jesus Priceless Treasure." Mrs.
Isabelle Volesky was in charge of
devotional with the Bible study en-
titled, "Christ is Our Treasure, So
Live In Him," taken from Col-
ossians 1: 24-27.

The roll call was answered by
13 members with a donation of
25c each towards silverware for
the new church kitchen. There
were two visitors present.

The usual reports were read.
The Annual L.C.W. Convention to
be held at Hussar on May 1, was
discussed and several members
will be going. It was decided to
give a donation of \$10 towards
sending one of the Lomond Rover
Scouts to a Jamboree in Mexico
this summer. Another \$10 is being
sent for "Cause of the Month"
which is to help in church educa-
tion, etc.

One member and two children
donated their pennies to the birth-
day box and were rewarded with

the rest of the members singing,
"Happy Birthday." A number of
articles for the "sale of the month"
were sold, also some articles the
sewing committee had on hand
were shown and some sold.

The meeting was closed with the
hymn, "My Faith Looks Up To
Thee" and "The Lord's Prayer" re-
peated in unison. A very lovely
lunch was then served by the
hostess and her assistants to end
a pleasant afternoon.

HOME & SCHOOL ASSOCIATION

A Home and School Association
meeting was held on April 10, in
the Lomond school. The president,
Mrs. Magnuson opened the meet-
ing.

A letter was read concerning a
trip won by Leif Pederson to a
Scout camp in New Mexico. The
Home and School indicated a will-
ingness to support any cause
which would help to finance this
trip.

A nominating committee was
picked consisting of Mrs. Caulfield,
Mrs. L. Huff and R. Elliott (if Mr.
Elliott could not act on the com-
mittee, Mrs. Booth was to take
his place). Mrs. Shirley Henrick-
son is the delegate to the conven-
tion.

The meeting adjourned and
members went into the gym where
Mrs. Sokvitne introduced the guest
speaker, Mr. Cousins, Dean of the
Lethbridge Junior College. Dean
Cousins explained the two different
sections of the Junior College, first
the university section, which of-
fers such courses as the first year
in Arts and Education, pre-
medicine, pre-dental and pre-law
courses and the first year in B.Sc.
in nursing. He then explained the
vocational section which deals with
such areas as business education,
automotives, electricity, food tech-
nology and several others. Mr.
Cousins also discussed qualifica-
tions for entry and tuition fees.

The evening closed with a dis-
cussion period after which lunch
was served.

INVESTORS KEEP OUT!

(if this is what we want—there's an easier way!)

Investors mean prosperity for the area they help to develop. But
... if we really don't want them, we need not shut our borders.
Government take-over of industry is enough to deter investors—
and can we blame them? A prominent Provincial Official has said:

"Take-overs of private industries are damaging
the confidence of private investors. I have tangi-
ble evidence that such talk is scaring investors
out of other provinces and into ours. A province
which wants to attract investors must not talk of
nationalization."

Already, such talk in Alberta may have caused enough harm— but
consider what would happen if this threat went into effect. Let's
show new investors that free enterprise will always be free in
Alberta.

About two months ago a photo was published in the Advocate of the same stretch of road as shown above. It attempted to show the

which was taken one real winter's day in March of 1948 when drifts were more than snow plows could handle.

Agriculturist

What Price Weeds?

Losses suffered by the agricultural producer as a result of weeds have been reliably estimated to be greater than the losses caused by insect pests and plant diseases.

Weeds have been shown to reduce crop yields by varying amounts. For example, Pavlychenko working in Saskatchewan during the mid-thirties found that wild oats and wild mustard caused a yield reduction of 15% in barley and 85% in flax. Nylund, in Minnesota, found that an infestation of 27 wild mustard plants per square yard reduced the yield of canning peas by 58% and an infestation of 81 mustard plants per square yard caused an 88% yield reduction. Here at Lethbridge we have found that reasonably heavy wild oat infestations have reduced pea yields by 75% or more. Obviously such yield reductions are costly and justify the expenditure of time and money for weed control.

The estimated cost of California farmers has been estimated to be in excess of four-fifths of a million dollars per day. H. E. Wood of Manitoba, using 1955 prices and a set of conservative yield reduction values, estimated the cost of weeds to the western grain farmer to be \$255,000,000 per year or an average of \$1,028 per farm. Such a loss to the farmer can be offset in large measure by good and timely cultural operations as well as by the use of available herbicides.

ON THIS AND THAT

Freezing Vegetables—

Are you planning a home garden this year? If so, and should you plan to freeze your vegetables, remember to plant a variety suitable for freezing. A chart, "Vegetable Varieties Suitable For Freezing" may be obtained from your District Home Economist.

A Good Buy—

From the Consumers' Association of Canada comes the report that Canadian juices are now a good buy. With the recent toll of citrus fruits and vegetables in Florida, prices have risen considerably. This has made our fruits and vegetables a particularly good buy. Three ounces of the vitaminized apple juice will provide our daily requirement of Vitamin C while 8 ounces of tomato juice provides us with the same amount.

Aluminum Sealer Rings—

A new aluminum sealer ring will be available for this year's canning season. The Anchor Cap and Closure Corporation of Canada have developed this product. Rings will be sold in one dozen lots in polyethylene bags. If you want these rings, tell your local storekeeper now so that he will have them for you when the canning season starts.

Keep Your Iron Clean—

If a plastic or synthetic material has melted on the sole-plate of your iron, here's how to remove it. Heat the iron to a high tem-

perature and rub over salt placed on brown paper. A mild, non-scratching household cleaner may also do the trick.

Tips For Perfect Meringues—

Meringue shells make a perfect holder for ice cream, fruits or for pudding. When baking them always place on a brown paper lined cookie sheet. Choose a cool dry day, for humid air tends to soften meringues. Be sure your tools (bowl and beater), are clean and dry. The tiniest speck of fat will spoil meringues. Egg whites will beat higher if allowed to stand at room temperature to warm slightly. Make your electric mixer your right arm, for long beating is a must to dissolve sugar completely and prevent meringue from "weeping". To test if sugar is dissolved: Rub a bit of meringue between your fingers.

County Will Not Licence Airport

(Continued from Front Page)

May council meeting with more specific plans as to the composition of the committee and the exact area to be included at which time the council would give further consideration to the matter.

It was moved and carried that the county approach the Municipal Hospital Board with a view to obtaining the hospital site for the location for two steel teacherages.

Councillors discussed a request made by the Agricultural Service Board for a shed to be erected adjacent to the office for storage of 2,4-D, grasshopper poison, grass seed and other supplies which are being handled by the service board. It was pointed out that the service board office was in connection with the county office itself, and that the farmers and those using the service board facilities often came to the office to discuss other business and it was very convenient to have the service board office in connection with the county office. The fact that the supplies were not handy to the office made it very inconvenient to supply the farmers with service. After discussing the matter, the councillors decided that there would be no action taken at this time to supply even a temporary building this year, but that the supplies be handled from a building used in connection with the repair shop.

A letter from the Minister of Agriculture in respect to grasshopper poison, was read. The letter stated that a committee had interviewed the minister in respect to obtaining a subsidy from the government on grasshopper poison and the matter had been discussed with the Premier and the Cabinet. The decision was that the Provincial Government make no further contribution at this time to supply grasshopper poison. It was also pointed out that the Provincial Government was making a contribution at the present time to sell the grasshopper poison at cost and to supply the distribution facilities.

School Committee Meeting

The regular April meeting of the School Committee of the County of Vulcan No. 2 was held in the council room, county building, Vulcan, Alberta, on Monday, April 15th, 1963.

Chairman of the committee, J. M. McKay, presided and committee members Frank Thurber, A. Cutforth, A. McAllister, George Moses, Guy Voisey and R. Bertrand were present. Also present at the meeting were E. K. Hawkesworth, superintendent, and D. D. McQueen, secretary-treasurer.

A letter from the Medicine Hat Separate School District in respect to Elementary School principal Frank Burchak's services on the inspection team at Medicine Hat, was read. The letter thanked the Vulcan County for permitting Mr. Burchak to do this work for them, and expressed satisfaction and appreciation for his services.

It was moved and carried that the committee issue instructions to all bus drivers and operators to operate the buses at all times with the headlights turned on.

The secretary reported that the offer had been made to the Crown Assets Disposal Corporation for three steel buildings to be used as teacherages in the county, and that the offer of \$7,500 had not been accepted but that the Crown Assets Disposal Corporation had advised that an offer of \$2,645

each would be accepted. Information was given to the committee that the extra amount had been forwarded and it was moved by Mr. Moses and carried that the committee approve the action of the extra expenditure of \$145 each for the three buildings.

It was moved and carried that the committee authorize an expenditure of \$55 to send a candidate to the special Science Seminar at the University of Alberta, Edmonton, in August, and that Mr. Hawkesworth select the candidate at a later date.

It was moved and carried that James A. Olmstead's resignation from the County of Vulcan teaching staff be accepted with regrets.

It was moved and carried that Mrs. Ness' resignation from the teaching staff be accepted with regrets, and that Mrs. Ness be advised that the committee hopes that she will, at some future time, make her services available to the county again.

It was moved and carried that Mrs. Jessie Sharpe be allowed leave of absence for the month of May 1963 for the purpose of attending University to do practice teaching.

Mr. Hawkesworth reported to the committee that the Principal's Association had discussed the use of the gymnasium for extra-curricular activities by the public and passed a motion that the association was in agreement with the present county policy.

The members of the committee considered at some length the probable site for the steel teacherages which are being moved from Claresholm to Vulcan. It was noted that the county owns a piece of land, Lot "A", which is 115 ft. by 250 ft. situated immediately north-west of the Calgary Power buildings, and in the vicinity of property owned by Jim Yee. Another site was at the south-easterly end of the machinery lot immediately behind the residences on Atlantic Avenue and opposite the Vulcan Municipal Hospital. Les Johnson, who owns a piece of property in Block 35 which is immediately behind the Armouries, was present at the meeting and offered the County of Vulcan a piece of property 150 ft. by 115 ft. for \$2,400. The members of the committee considered these various locations and inspected the sites. No decision was reached in the matter and it was left until the county council meeting on Friday to consider the matter further after full information in respect to sewer and water costs or main extensions was obtained, and to also enquire as to any other probable sites.

It was moved by Mr. Cutforth and carried that the county engage L. E. Burke to move the steel buildings from Claresholm to Lomond and Vulcan on the same terms as last time, namely \$1,200 per building plus the county supplying the necessary timbers.

Otto W. Mueller Dies At Edmonton

A long-time resident of the Champion district Otto William Mueller, aged 74, passed away in an Edmonton hospital on April 22, after a brief illness.

Born in Gun Lake, Michigan in 1889 he came to the Champion district in 1915. In 1920 he opened his own blacksmith business and

was engaged therein until moving to the Hoadley district in 1935 where he lived until his retirement in 1953.

On Nov. 9, 1917 he was united in marriage to Miss Violet Barwell also of the Champion district.

Surviving are his widow Violet, his eight children: Ralph of Hoodley, Alta; Earl of Edmonton; Sherman of Calgary; Mrs. MacCarnegie (Dora) of Edmonton; Mrs. Ruby Alberts (Mildred) of Edmonton; Mrs. Frank Magnuson (Vera) of Edmonton; Mrs. William Servisto (Connie) of Edmonton; Mrs. Henry Kalesar (Alice) of Vegreville; one brother Edward of Waverley, Iowa; 26 grandchildren and 3 great-grandchildren. He was predeceased by a brother, Louis of Champion, in 1956.

Funeral services will be held at 2:00 p.m. at the South-side Memorial Funeral Home in charge of the arrangements, Rev. A. Mueller officiating. Interment was in South Side Cemetery.

Carmangay F & G Sponsoring Fish Derby

The annual Fish Derby sponsored by the Carmangay Fish & Game Association opened on April 20 and will close November 1.

There are prizes for children, men and women in stream trout, reservoir trout and pike. Fish must be cleaned and the head on.

Any child under the age of 16 and a paid-up member of the Fish & Game Association is eligible for the open prize also but on two different fish. Anyone entering a fish in the derby must be a paid-up member 10 days prior to entry.

Weigh stations are at Dayman's Store and Kurtin's Meat Market in Barons and at Collier's Hardware and the Locker Plant in Carmangay.

SCOUT-GUIDE ACTIVITIES

Congratulations to the Champion patrol who were awarded the Senator Buchanan Trophy for the best base camp at the Winter Camp held recently at Waterton Lakes.

Compliments are extended to the following Vulcan Scouts on receiving their Winter Sportsman badges: Drew Price, Larry Mumby, Jim King, Brian Scobie, Robert Ness, Ralph Love, Alex Price, Doug Roe, Gordon Marshman, Don Dumka, Leroy Stewart, Andy Sharpe, Greg Daniels and Paul Voisey. Andy Sharpe and Robert Engen also passed their Tenderfoot requirements and were invested as Scouts.

Cubs—John Spanke was invested last week as a Wolf Cub.

Guides—A Patrol Leaders training course was held in the Arrowwood Community Hall for Guides of the High River Division. Guides from High River, Vulcan, Lomond and Arrowwood attended the two-day course. New songs and games were taught as well as duties of Patrol Leaders.

A campfire and singsong were held Saturday evening after which the girls and ladies slept in the hall. On Sunday they attended church and held further training sessions. Capt. Gwen Graham, Sylvia Graham, Laurie Steiner, Marjorie Nolan, Laurie McClellan and Valerie Graham attended from Vulcan.

It has been decided to hold the Cookie Day on Friday, May 3.

Council—A meeting of the Lake McGregor District Council was held at Champion on April 24. Plans are well under way for the Camporee to be held June 7-8-9 and also the Jamboree at Sylvan Lake June 29 to July 6. The next District meeting will be held May 29 at Champion.

The Vulcan Second Brownie Pack held a presentation ceremony last week when Kathy Middleton, Leah Lucas and Susan Christensen were awarded their Golden Hands.

MOISTURE COMING?

Without becoming overjoyed because of the fickle ways of our weather, Vulcan district farmers looked out at the heavy snow which was falling Wednesday morning of this week, and hoped it would last for many days.

Vulcan High School Notes

The new winner of the House League is House No. 4. The total enrollment was broken down into four houses. House No. 1 has 1880 points, House No. 2 has 1430 points, House No. 3, 1595 points and House No. 4 has 2100 points.

Each time a student participates in one of the many sports he increases the total. Also, if he is on a winning team he receives extra points. If a team wins from a particular house that house receives extra points.

Top scorers in each house are as follows:

House No. 1—Eugene Carruthers 110, Bob Cockwill 90, Jack Williams 85, David Clark 80, Marie Dann 80, Marlene Bertschy 75, Pat Christensen 55, Norma Christensen 40, Joanne Carnegie 40.

House No. 2—Ross Ens 95, Lyle Ferguson 95, Eric Hagedorn 90, Dwight Farrell 65, Gene House 65, Donna Groves 55, Ruth Holoboff 45, Judy Jones 35, Sally Giles 35, Joyce Hill 35.

House No. 3—David Lundgren 90, Greg Lever 85, Tom Leslie 80, Miles Letal 75, Rita McNiven 80, Carol McNiven 60, Mary Mumby 35, Linda Lafontaine 35.

House No. 4—John Robinson 130, Dennis Sparks 115, Doug Smith 110, David Puzey 105, Susie Robertson 80, Delores Doane 60, Lorraine Roebuck 50, Janice Street 45.

All these points were gathered from participation in interschool football, intramural football, volleyball, basketball, refereeing, badminton, cheer leading and table tennis.

First school in America was established by the Dutch East India company on Manhattan Island in 1633.

Britain's new triple-engine jet airliner, the de Havilland Trident, on its way to Cairo and Khartoum for tropical trials, recently unofficially broke the speed record between London and Rome at an average speed of 570 miles an hour. The Trident, seen here on arrival at Rome, covered the 930 miles from London to Rome in 97 minutes, an unofficial record for an airliner over the route.

The official record for the London-Rome flight was set up by a British two-seater Hawker Hunter fighter and stands at 566 miles per hour.

For the flight the Trident carried a crew of four and nineteen technicians and observers.

Looking Down 6-Inch Pipeline

From the Little Bow River to the almost completed water reservoir at the edge of town, stretches miles of lemon colored lengths of pipe waiting for the ditch digger and the heat of the welding torch. Some ditching has been done but welding crews are being interrupted by a problem becoming quite common to this area. Dust swirling from the fields in which pipes are laid is blowing into the molten welding stick spoiling the job.

4-H Club Notes

The Vulcan West-Ensign 4-H Beef Club attended a Field Day at the Archie Oldfield's farm on April 6, which was very informative and enjoyable. John Hay of Nanton was the judge in attendance.

On April 17, a good attendance of members toured the club calves. At noon the members ate their lunch at the home of Mr. and Mrs. William Lucas, refreshments being served by the hosts. The regular monthly meeting followed with Tommy Irvin presiding. The tour continued in the afternoon. Richard McNiven gave an interesting talk on showmanship in the ring to conclude an enjoyable day.
